DICO letter draft

Scott:

I was just checking to see if you had any update to the attached draft letter that I had provided you. This is the letter that I had sent the draft on Feb 27, 2015. Please see the attached email chains along with various support documents that you have requested on those.

Please let me know.

Mary: I was not sure if Pradip had his laptop still and since you already have a LIT HOLD folder for this project, I have you on the cc for this email. I am not sure about the protocol for such emails.

Thanks, Sandeep
